Military Deployment – Waiver Request

During periods when a licensee is on active duty as a member of the Armed Forces of the United States, the National Guard of this State or any other state, or any other military reserve component and deployed outside of this State and for six (6) months after discharge from active duty, the license of a person regulated by this Board shall continue in good standing and shall be renewed without payment of any dues or fees for the maintenance or renewal of the license and without meeting continuing education requirements for the license, when circumstances associated with military duty prevent the individual from obtaining the required continuing education.

The circumstances necessitating my Waiver Request to the Board include, but are not limited to, deployment outside of the United States or in any combat area. I am performing as a physical therapist or physical therapist assistant as part of my military duties, as will be annotated in the Report of Separation, Defense Department Form 214 (DD214).
